### Parent Teacher Conferences

Our spring conferences are coming up soon – Wednesday, February 7 and Thursday, February 8. I would love for you to stop by to review your child's enrollment for next year. This is also a great time to come in and have questions answered about college credit opportunities available through Salina Area Technical College, Kansas State University - Salina, Hutchinson CC, and Bethany College.

**Wednesday: 5:00-7:30 pm**

**Thursday: 7:15-11:15 am, 12:00-3:00 pm, 5:00-7:30 pm**

### Credit Check

As juniors are enrolling for their last year in high school, we are individually reviewing the courses they need to take in order to receive their diploma May of 2025. This path to graduation might include after school credit recovery. The last session for this year starts after Spring Break, but other options include summer school and repeating the course next year. If you are concerned about your child's progress towards graduation, please contact me.

### Things to Consider for Senior Year

Internships, OJT, flex, student aide, AP courses, college credit, IPS, scholarships, FAFSA. Keep looking for emails and announcements!

Central's counseling theme for **February** includes:  
*Compassion & Responsibility*

### National School Counseling Week

The first full week of February is designated as National School Counseling Week. School counselors provide comprehensive, data driven, developmental guidance programs while focusing on academic achievement, career readiness, and social emotional development. We advocate collaborate, consult, coordinate, counsel, guide, refer, support, and teach through partnerships with parents, educators, community resources, and many others.
